CLUB POLICIES

As a volunteer organization, it has always been felt that hard and fast rules are not welcome. There are exceptions to every rule.

Recognizing that the viability, visibility and monetary support to allow the club to achieve its goals is of utmost importance, the membership as a whole has adopted the following policies:

FUND RAISING: The Club's fund raising efforts revolve around the sale of beer at various functions in the community. Work schedules are posted by a committee appointed by the President. It is the member's responsibility to secure a replacement if that member is unable to work. Failure to work a shift or provide a replacement will result in the rescinding of that individual's membership.

DUES: Dues are payable quarterly, within 30 days of receipt of dues statement. Dues will be charged up to the date of receipt of a written letter of resignation. Failure to pay quarterly dues for two (2) billing periods in a row (6 months) will result in that membership being rescinded. All delinquent dues are subject to collection.

MEMBERS WHOSE MEMBERSHIP HAS BEEN RESCINDED MAY APPLY IN WRITING TO THE BOARD OF DIRECTORS FOR RE-ADMISSION.
